Dear Church Family,
Thank you to everyone who has already completed our congregational survey. We still need some more responses.
If you have not yet participated, there is still time. The study looks at how people participate in the life of the church and how that may be related to congregational health.
The survey takes about 25ï 30 minutes.
Survey link:

https://www.surveymonkey.com/r/C023-Lay
The survey will remain open for about two more weeks.
Participation is voluntary. The survey does not ask for your name or email address, and church leaders will not be told who has or has not participated.
Thank you for considering sharing your perspective.
